Why A Sermon Series On Sin?

Sunday, April 28th, we will begin a sermon series titled, “Satan’s Trap—Sin.” The word “sin” is used in many religious discussions and everyone should know and understand what sin is and how it affects us. God gives us sufficient instructions and warning regarding sin.

How do you set a trap for an animal? The most important part of any trap is using the right bait! You would not use a lollipop to trap a lion and you would not use a stuffed animal to trap a bear. The right bait is necessary. The same could be said about how Satan traps man. The right bait is needed and different types of baits can be used. Alcohol or drugs may tempt one person. Sex may be the temptation for another. Money is the bait that attracts many others. We must know that Satan is a deceptive enemy that is out to destroy us and our families. (John 8; 1 Peter 5:8)

In our series of lessons on “Satan’s Trap—Sin,” we will see exactly what sin is and what sin does to those who succumb to its temptations. Through Bible study, prayer and teaching we can prepare to live faithful Christian lives in the 21st century and beyond.

-Mark Hammitt

Satan’s Deadly Trap - SIN

“What Is Sin?”

“What Sin Can Do?”

“Let no one say when he is tempted, “I am being tempted by God,” for God cannot be tempted with evil, and he himself tempts no one. ¹⁴ But each person is tempted when he is lured and enticed by his own desire. ¹⁵ Then desire when it has conceived gives birth to sin, and sin when it is fully grown brings forth death.” James 1:13-15
